Author comment on "Modelling of faults in LoopStructural 1.0" by Lachlan Grose et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2021-112-AC1, 2021

Hi,

We are sorry for the mistake. LoopStructural is archived on Zenodo, we missed including the DOI in the manuscript. The DOI for the version used for this paper is 10.5281/zenodo.4649536 (https://zenodo.org/record/4649536#.YN5F1egzaUk) and will be updated for the current version of LoopStructural when the manuscript is revised.

Thanks,

Lachlan
