Community comment on "A physically-based distributed karst hydrological model (QMG model-V1.0) for flood simulations" by Ji Li et al., Geosci. Model Dev. Discuss.,
<https://doi.org/10.5194/gmd-2021-120-CC3>, 2021

Dear JI LI,

I would contact your EC (Editor) who should be able to address the problem. I do hope you do not have to re-submit.

Thank you and kind regards,

Laurent
