Community comment on "The Comprehensive Automobile Research System (CARS) – a Python-based automobile emissions inventory model" by Bok H. Baek et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2021-135-CC1, 2021

Absolutely, we will add the version of CARS to the title of this manuscript when we submit the revised version. The new title will be "Comprehensive Automobile Research System (CARS) version 1.0 – a Python-based Automobile Emissions Inventory Model"

Thank you for your comment.
