Chief editor comment on "B-flood 1.0: an open-source Saint-Venant model for flash-flood simulation using adaptive refinement" by Geoffroy Kirstetter et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2021-15-CEC1, 2021

Dear authors,

In a potential reviewed version of your manuscript, please change the Code and Data Availability section and include the Zenodo repository instead of the link to basilisk.fr. Moreover, the basilisk.fr link does not work.

Best regards,

Juan A. Añel
