Dear authors,

After checking your manuscript, it has come to our attention that it does not comply with our Code and Data Policy.  
[https://www.geoscientific-model-development.net/policies/code\\_and\\_data\\_policy.html](https://www.geoscientific-model-development.net/policies/code_and_data_policy.html)

Specifically, you must provide a link to an open and permanent repository with the code for the SM module that you use in your work. Therefore, you must include in a potential reviewed version of your manuscript the modified 'Code and Data Availability' section and the DOI of the code. Also, please, reply as soon as possible to this comment with the link for it so that it is available for the peer-review process, as it should be.
