Marco Toffolon et al.

Author comment on "SELF v1.0: a minimal physical model for predicting time of freeze-up
in lakes" by Marco Toffolon et al., Geosci. Model Dev. Discuss.,
<https://doi.org/10.5194/gmd-2021-234-AC3>, 2021

We thank the Editor for having handled our submission and for his appreciation of our
work. We have replied to the Referees' comments in detail, and we are ready to submit
the revised manuscript.
