Author comment on "Coupling a weather model directly to GNSS orbit determination – case studies with OpenIFS" by Angel Navarro Trastoy et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-246-AC1>, 2021

---

Hi,

Thank you for your comment. The title of the manuscript has now been changed to 'Coupling a weather model directly to GNSS orbit determination - case studies with OpenIFS', following the suggestion.
