Author comment on "The PFLOTRAN Reaction Sandbox" by Glenn E. Hammond, Geosci.
Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-284-AC2>, 2021

Allan,

Thank you for recommending the monospaced fonts and syntax highlighting in the code blocks. I have updated the manuscript to include these features, and they definitely improve the readability. I appreciate your feedback.

Regards,

Glenn
