Community comment on "Analyzing the PMIP4-CMIP6 ensemble: a workflow and tool (pmip_p2fvar_analyzer v1)" by Anni Zhao et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-290-CC1>, 2021

It's been pointed out to me that there are two different spellings of the hyperlinks to the main repository in the Code & Data Availability statement. The correct one is https://github.com/pmip4/pmip_p2fvar_analyzer
