Author comment on "Implementation of a new crop phenology and irrigation scheme in the ISBA land surface model using SURFEX_v8.1" by Arsène Druel et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-332-AC1>, 2021

Dear Juan Antonio Añel,

Many thanks for your suggestions.

This will be fixed in the revised version of the manuscript:

- Title: "Implementation and validation of a new irrigation scheme in the ISBA land surface model using SURFEX_v8.1"
- Code is now available on zenodo: <https://doi.org/10.5281/zenodo.5718063>
- Code was integrated into SURFEX_v9.0, and SURFEX_v9.0 should be published early 2022.

Best regards,

Jean-Christophe Calvet, on behalf of all co-authors.
