Chief editor comment on "Modeling the high-mercury wet deposition in the southeastern US with WRF-GC-Hg v1.0" by Xiaotian Xu et al., Geosci. Model Dev. Discuss.,
<https://doi.org/10.5194/gmd-2021-404-CEC1>, 2022

Dear authors,

as you are using the model code with the new developments for mercury please replace "WRF-GC" in the title by "WRF-GC-Hg (v1.0)".

Best regards,

Astrid Kerkweg (GMD executive Editor)
