Chief editor comment on "Description and evaluation of a secondary organic aerosol and new particle formation scheme within TM5-MP v1.2" by Tommi Bergman et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-49-CEC2>, 2021

Dear Dr Bergman,

Indeed, this open forum is the right place to post the information during the Discussions stage, as you have already done.

Regards,

Juan A. Añel
