Author comment on "Spatial agents for geological surface modelling" by Eric A. de Kemp,
Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-66-AC1>, 2021

Thank you for your thorough critique of my paper. I will be editing, in the days ahead, with an aim at reaching a wider audience as well as addressing all of the specific issues. I will upload a new version with documented changes, hopefully before the end of the month.

Regards,

Eric A. de Kemp
