Junichi Tsutsui

Author comment on "Minimal CMIP Emulator (MCE v1.2): a new simplified method for probabilistic climate projections" by Junichi Tsutsui, Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2021-79-AC1>, 2021

Thank you very much for reviewing the manuscript. I have thoroughly taken into consideration all your comments as well as the other referee's to revise the manuscript. My response to each of those comments will be posted as the final author comment.
