Comment on gmd-2021-79

Junichi Tsutsui

Author comment on "Minimal CMIP Emulator (MCE v1.2): a new simplified method for probabilistic climate projections" by Junichi Tsutsui, Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2021-79-AC3, 2021

My final response to each of the two referees' comments is given by the attached supplement.

Please also note the supplement to this comment:
