Comment on gmd-2022-108

Malak Sadki et al.

Author comment on "Implementation and sensitivity analysis of the Dam-Reservoir
OPeration model (DROP v1.0) over Spain" by Malak Sadki et al., Geosci. Model Dev.
Discuss., <https://doi.org/10.5194/gmd-2022-108-AC2>, 2022

Please find hereby the supplemental material to the article, referenced in our AC1
response document, and which we provided to complete the study in response to RC1's
last comment.

Sincerely,

Malak Sadki
