Yen-Sen Lu et al.

Author comment on "Optimization of weather forecasting for cloud cover over the European domain using the meteorological component of the Ensemble for Stochastic Integration of Atmospheric Simulations version 1.0" by Yen-Sen Lu et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2022-118-AC1>, 2022

All the comments and suggestions have been answered one-by-one as the attached supplement document. The texts from the reviewer are marked as blue, and our replies are in black to be distinguished. Also, we have made major revisions to the original manuscript according to the comments.

Please also note the supplement to this comment:
