Author comment on "Monthly-scale extended predictions using the atmospheric model coupled with a slab ocean" by Zhenming Wang et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2022-159-AC1>, 2022

Dear Ms Kerkweg,

Thanks for your guidance. In order to meet the requirements of papers published in GMD. We will change the title to "Monthly-Scale Extended Predictions Using the Atmospheric Model (WRF 3.7.1) Coupled with a Slab-Ocean Model (SOM)" and add it to the revised manuscript.

Kind regards,

Zhenming Wang
