Dear Dr. Anel,

We have uploaded our code to zenodo, and have made it publicly available
here [10.5281/zenodo.7084857](https://zenodo.org/doi/10.5281/zenodo.7084857)

We are using E3SM V2. We will add the version in the title of our revised manuscript to be
submitted shortly.

Please let us know if any further information is required from our side.

Thanks and regards,

Nairita Pal (on behalf of all coauthors)
