Author comment on "Evaluation of bias correction methods for a multivariate drought index: case study of the Upper Jhelum Basin" by Rubina Ansari et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2022-237-AC1>, 2022

---

Thank Jorn Van de Velde for your comment.

I will update the citation in the revised version of the manuscript.
