Author comment on "Impact of physical parameterizations on wind simulation with WRF V3.9.1.1 over the coastal regions of North China at PBL gray-zone resolution" by Entao Yu et al., Geosci. Model Dev. Discuss., https://doi.org/10.5194/gmd-2022-53-AC1, 2022

Yes, Σ is missing in the equation, thanks very much for pointing this out, and these errors in the equations will be corrected in the revision.
