Shun Ohishi et al.

Author comment on "An ensemble Kalman filter-based ocean data assimilation system improved by adaptive observation error inflation (AOEI)" by Shun Ohishi et al., Geosci. Model Dev. Discuss., <https://doi.org/10.5194/gmd-2022-91-AC1>, 2022

We thank the executive editor for indicating code and data policy. We have added the MIT License to an sbPOM-LETKF directory on Github, and then added sbPOM-LETKF version 1.0 to Zenodo (<https://zenodo.org/record/6482744>), reserving doi: 10.5281/zenodo.6482744. We have replaced the URL of Github with that of Zenodo in Code and data availability in the revised manuscript.
