Nutchanart Sriwongsitanon et al.

Author comment on "Using NDII patterns to constrain semi-distributed rainfall-runoff models in tropical nested catchments" by Nutchanart Sriwongsitanon et al., Hydrol. Earth Syst. Sci. Discuss., <https://doi.org/10.5194/hess-2021-598-AC1>, 2022

In the discussion we have provided answers to all the comments made by the referee. In the attached pdf, we summarise our responses. All issues raised by the reviewer will be appropriately addressed in the revised submission.

Please also note the supplement to this comment:
