Author comment on "Technical note: Introduction of a superconducting gravimeter as novel hydrological sensor for the Alpine research catchment Zugspitze" by Christian Voigt et al., Hydrol. Earth Syst. Sci. Discuss., <https://doi.org/10.5194/hess-2021-78-AC3>, 2021

Dear David,

Thank you very much for your positive additional comment and for your valuable recommendations on our manuscript. We are pleased that our SG setup arises interest in the community, even if the results are not yet final. We will be very happy to consider your observations within the revision of our manuscript.

Best regards,

Christian Voigt on behalf of the team of authors
