Jingkai Xie et al.

Author comment on "Monitoring the extreme flood events in the Yangtze River basin based on GRACE and GRACE-FO satellite data" by Jingkai Xie et al., Hydrol. Earth Syst. Sci. Discuss., <https://doi.org/10.5194/hess-2022-168-AC1>, 2022

Thanks for your valuable suggestions. We have tried our best to improve the manuscript both in the language and contents based on your comments and suggestions. We sincerely appreciate your valuable inputs and we hope that the changes implemented are sufficient for acceptance of our paper for publication.

Please also note the supplement to this comment:
