Author comment on "Nuclear magnetic resonance free ligand conformations and atomic resolution dynamics" by Amber Y. S. Balazs et al., Magn. Reson. Discuss.,  
<https://doi.org/10.5194/mr-2021-27-AC2>, 2021

---

(Note the formatting problems where Q&A changed to a numbered list; I don't know how to correct that in the submitted version- AB)
