The content of this paper is very similar to that of a published work [https://www.age-geografia.es/site/wp-content/uploads/2016/07/crisis\\_globalization\\_UGI\\_eng\\_2016\\_WEB.pdf](https://www.age-geografia.es/site/wp-content/uploads/2016/07/crisis_globalization_UGI_eng_2016_WEB.pdf) (pages 92 to 103) but I have not found any reference to it in the manuscript. I think the authors should consider expanding the review of the bibliography.
