Changbin Lim et al.

Author comment on "Assessment of potential beach erosion risk and impact of coastal zone development: a case study on Bongpo–Cheonjin Beach" by Changbin Lim et al., Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2021-180-AC2>, 2021

Thank you for those kind words. We will do our best to complete a good paper.
