Changbin Lim et al.

Author comment on "Assessment of potential beach erosion risk and impact of coastal zone development: a case study on Bongpo–Cheonjin Beach" by Changbin Lim et al., Nat. Hazards Earth Syst. Sci. Discuss., https://doi.org/10.5194/nhess-2021-180-AC4, 2021

By reflecting the opinions of the 1st and 2nd reviewers, we will be able to create a good paper for many NHESS readers. Responses to both reveiwers' comments can be found in AC3.
