Annegret H. Thieken et al.

Author comment on "Compound inland flood events: different pathways–different impacts–different coping options?" by Annegret H. Thieken et al., Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2021-27-AC1>, 2021

Thank you for your review that will help us to revise our manuscript and to sharpen the main messages. We hope that you appreciate our responses, which are detailed in the attached file.

Please also note the supplement to this comment:
