Comment on nhess-2021-276

Alban Kuriqi

Community comment on "Lessons from the 2018–2019 European droughts: a collective need for unifying drought risk management" by Veit Blauhut et al., Nat. Hazards Earth Syst. Sci. Discuss., https://doi.org/10.5194/nhess-2021-276-CC3, 2021

Thank you for your reply! If you check the European Drought Observatory, the borders of Kosovo are clearly defined: https://edo.jrc.ec.europa.eu/edov2/php/index.php?id=1000

So, please correct the maps, otherwise, I will elevate this issue. Thank you for understanding!

Regards,

Alban
