Community comment on "Lessons from the 2018–2019 European droughts: a collective need for unifying drought risk management" by Veit Blauhut et al., Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2021-276-CC4>, 2021

There are no mistakes in maps! Kosovo, as you called it, is an autonomous province within the Republic of Serbia! It is under the temporary administration of the United Nations. It is not recognized as a country in UN. Therefore, there is no need to change map in figures!!
