Comment on nhess-2022-136

Te Wang

Community comment on "Spatial Distribution of Vulnerability to Extreme Flood: in provincial scale of China" by Wei Li et al., Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2022-136-CC2>, 2022

An interesting idea combined with a scientific method has inspired me a lot
