Comment on nhess-2022-20

esthela salazar (Referee)

Referee comment on "Enhancing disaster risk resilience using greenspace in urbanising Quito, Ecuador" by C. Scott Watson et al., Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2022-20-RC1>, 2022

Dear Editorial support team,

Firstly, congratulations for your paper. Secondly, I have specific comments on substance and form. The main observation is cartography, it might improve.

Attach the paper with some reviews.

Please also note the supplement to this comment:
