Response to the respected reviewer #1

Dear professor Vallianatos

Thank you for giving us the opportunity to submit a revised draft of the manuscript "A non-extensive approach to probabilistic seismic hazard analysis" for publication in the Natural Hazards and Earth System Sciences. We appreciate the time and effort that you and the respected reviewer dedicated to providing feedback on our manuscript and are grateful for the insightful comments on and valuable improvements to our paper. We have incorporated most of the suggestions made by the reviewer. Those changes are highlighted within the ma
