Author comment on "Uncovering the veil of night light changes in times of catastrophe" by
Vincent Schippers and Wouter Botzen, Nat. Hazards Earth Syst. Sci. Discuss.,
<https://doi.org/10.5194/nhess-2022-23-AC2>, 2022

We thank the referee for the suggestion to update the citation of the DMSP data. Our citation refers to the previous distributor/portal of the data; we will update the reference as the referee suggests. We are also grateful for the very detailed textual comments on our paper. We will make the necessary adjustments accordingly, which will undoubtedly improve the readability of our paper.
