Maria Francesca Ferrario

Author comment on "Landslides triggered by the 2015 M_w 6.0 Sabah (Malaysia) earthquake: inventory and ESI-07 intensity assignment" by Maria Francesca Ferrario, Nat. Hazards Earth Syst. Sci. Discuss., <https://doi.org/10.5194/nhess-2022-69-AC2>, 2022

I wish to thank Vipin Kumar for the thoughtful comments, which helped in improve the quality of the manuscript. Please see the attached file for a point-to-point answer.

Please also note the supplement to this comment:
