## **Comment on npg-2021-18**

Olivier Talagrand (Editor)

---

Editor comment on "Calibrated ensemble forecasts of the height of new snow using quantile regression forests and ensemble model output statistics" by Guillaume Evin et al., Nonlin. Processes Geophys. Discuss., <https://doi.org/10.5194/npg-2021-18-EC2>, 2021

---

My Editor suggestion is that the authors write a new version of their paper along the lines they have defined. See also attached comment.

Please also note the supplement to this comment:
