Community comment on "The Role of Internal Variability in Regional Climate Change" by Clara Deser and Adam S. Phillips, Nonlin. Processes Geophys. Discuss.,
<https://doi.org/10.5194/npg-2022-15-CC3>, 2022

I am sorry that I perhaps made a mistake by clicking on the wrong reply link. No harm intended.

What's also interesting is that "*random internal variability*" is cited to Lorenz. But Lorenz really left this aspect as open and unresolved when applied to climate variability and predictability.
