Community comment on "Impacts of a large extra-tropical cyclonic system in Southern Brazilian Continental Shelf using the COAWST model" by Luis Felipe F. Mendonça et al., Ocean Sci. Discuss., https://doi.org/10.5194/os-2021-11-CC2, 2021

Dear Editor and Anonymous Referees

The authors would like to thank reviewer #2 for the suggestions regarding the submitted manuscript. All comments were carefully considered by the authors and applied. His particular corrections were fundamental for the improvement of the manuscript. Reviewer's comments are presented, followed by the response from the authors and the changes performed in the new version of the manuscript.

Sincerely,

The Authors
