Author comment on "Technical note: Tail behaviour of the statistical distribution of extreme storm surges" by Tom Howard, Ocean Sci. Discuss., https://doi.org/10.5194/os-2022-14-AC6, 2022

Hi John, Thank you for the review. My responses are uploaded as a supplement to the third (anonymous) reveiw. This includes tabulated repsonses to all 3 reviews to date, because there is some overlap. I have also upload the proposed appendix as author comment AC4. I accidentally uploaded it twice: AC5 is identical.
