Dear Editor

We thank you for soliciting two thorough, informed, and constructive reviews on our Solid Earth Discussion article by Richard Styron and Folarin Kolawole, which will undoubtedly improve our manuscript. In the attached supplementary document, we have copied Reviewer 2's (Folarin Kolawole) comments in italics and replied to them in blue, cambria text with how we would like to incorporate them into a revised manuscript to

submit to Solid Earth.

We thank you for consideration of this manuscript and look forward to hearing from you.

Kind regards

Jack Williams (on behalf of all co-authors)
