Comment on se-2021-35

Luca De Siena (Editor)

Editor comment on "A revised image of the instrumental seismicity in the Lodi area (Po Plain, Italy)" by Laura Peruzza et al., Solid Earth Discuss.,
<https://doi.org/10.5194/se-2021-35-EC1>, 2021

Dear authors,

I look forward to receiving responses to all reviewers comments. Please let me know if you foresee delays in the response and if you are preparing the revised manuscript.

Best Wishes

Luca De Siena
