Dear Ben Laurich,

We would like to thank you very much for the thorough review and your suggested changes. Your constructive input strongly improves the quality of our manuscript. In the attached document, we present our changes and corrections to your individual comments. Your additional changes in the attached word document "se-2021-39-BL" are much appreciated; our comments and changes are listed below as well.

Kind regards,

Lisa Winhausen and co-authors
