Author comment on "Biocrust-linked changes in soil aggregate stability along a climatic gradient in the Chilean Coastal Range" by Nicolás Riveras-Muñoz et al., SOIL Discuss., <https://doi.org/10.5194/soil-2021-141-AC1>, 2022

Dear reviewer,

Thank you very much for taking the time to revise this preprint and for giving this positive evaluation with constructive comments. We were very pleased to see that our manuscript is an interesting topic for you, and we appreciate your valuable suggestions for improving our manuscript. We will consider your comments and respond in detail soon.

Best regards,

Nicolás Riveras-Muñoz
