Lina Boljka et al.

Author comment on "Revisiting conceptual oscillator models for the quasi-periodic component of the El Niño Southern Oscillation" by Lina Boljka et al., Weather Clim. Dynam. Discuss., <https://doi.org/10.5194/wcd-2022-51-AC1>, 2022

Thank you for pointing out this method. We will consider these studies in the revised manuscript if relevant. Note that nonlinear processes can be extracted with some other methods as well - already cited in the manuscript (there are likely more).
