Author comment on "Analysis of floating offshore wind platforms hydrodynamics using underwater SPIV: A review" by Navid Belvasi et al., Wind Energ. Sci. Discuss., https://doi.org/10.5194/wes-2021-128-AC2, 2022

Dear Referee,

We would like to express our sincere thanks for your time to review the manuscript entitled “An investigation of the applicability of SPIV for the analysis of the dynamics of floating offshore wind platforms”.

Thank you for providing this insight. All the comments that you have kindly mentioned will be addressed thoroughly.

Best regards,

Navid Belvasi
